## **ABSTRAK**

Penelitian ini dilatarbelakangi oleh rendahnya minat siswa terutama pada minat membaca. Media pembelajarannya menggunakan media *big book*. Penelitian ini bertujuan untuk mengetahui penggunaan media *big book* terhadap minat membaca siswa sekolah dasar kelas II SDN Pulokalapa II, karena saat melakukan observasi di sekolah SDN Pulokalapa II tidak semua siswanya mempunyai minat membaca yang tinggi dan kurangnya media pembelajaran yang menarik. Penelitian ini merupakan jenis penelitian kualitatif deskriptif. Subjek penelitian adalah seluruh siswa kelas II SDN Pulokalapa II yang berjumlah 27 siswa terdiri dari 15 siswa perempuan dan 12 siswa laki-laki. Metode pengumpulan data yang digunakan adalah observasi, kuesioner/angket, wawancara, dan dokumentasi. Penelitian menunjukkan bahwa penggunaan media *big book* dikatakan berhasil diterapkan di kelas rendah untuk menumbuhkan minat membaca. Dari hasil penelitian yang telah dilakukan dapat disimpulkan bahwa penggunaan media *big book* dapat menumbuhkan minat membaca siswa sekolah dasar kelas II SDN Pulokalapa II tahun pelajaran 2018/2019.

Kata kunci: Media *big book*, minat membaca

***USE OF BIG BOOK MEDIA AGAINST INTEREST IN READING CLASS II  
BASIC SCHOOL STUDENTS SDN PULOKALAPA II***

*This research is motivated by the low interest of students, especially in reading interests. The learning media uses the big book media. This study aims to determine the use of big book media on the reading interest of elementary school students in grade II in Pulokalapa II Elementary School, because when observing in Pulocalapa II Elementary School, not all students have a high interest in reading and a lack of interesting learning media. This research is a descriptive qualitative research. The research subjects were all grade II students of Pulocalapa II Elementary School, totaling 27 students consisting of 15 female students and 12 male students. Data collection methods used were observation, questionnaire / questionnaire, interview, and documentation. Research shows that the use of big book media is said to be successfully applied in the lower classes to foster interest in reading. From the results of the research that has been done it can be concluded that the use of big book media can foster interest in reading elementary school students in grade II of SDN Pulokalapa II in the 2018/2019 school year.*

*Keywords: Big book media, interest in reading*
